**UPCOMING COMMUNITY EVENTS**

In memory of ex pupil Matthew Girard who passed away from cancer at only 12 years old, the Prialux Premature Baby Foundation is working with St Martin's Primary school to build a life size LEGO bench for our school grounds.

Matthew loved LEGO and we feel a LEGO bench in our school grounds would be a fitting tribute.

But we need 10,000 pre-loved 2x4 bricks! If you can help, these can be dropped off to school, Aladdin's Cave or the Model Shop on Fountain Street.

We really hope community spirit comes together to so we can make this a success. We know this would mean so much to Matthew's mum, Sarah and his sister, Grace.
